

CEC TUITION POLICY

Tuition payments are due on Monday each week or Friday prior to your child attending for the week. Tuition payments are due regardless of absences due to illness, holidays, or family vacations. The only exception to this policy is the two week CEC closing for the summer and winter recess and the optional attendance during school vacations for the School Age program (school age is 1st – 6th grade). Kindergarten is not considered school age. Preschool/Pre-K is a year-round (50 week program) and is closed only for the CEC holidays and recess. Any exceptions to the above must be discussed with the director in advance. **Summer attendance is optional for school age. Preschool/Pre-K students must submit a Summer Enrollment Form for schedule changes during summer months.**

- A late fee of \$10.00 will be added to your tuition if not paid when due.
- A \$25.00 charge is added to your tuition for any returned checks.
- A \$10.00 late fee is added to your tuition for every 15 minutes past the closing time (6:00 p.m.) or past the scheduled pick-up time for part-time children (2:30 p.m.)
- A two-week written notice is required to change a child’s schedule or to terminate enrollment. All deposits are applied to the last week of enrollment. Tuitions are non-refundable once application is processed.

Please honor and follow the CEC Tuition Policy as stated. Exceptions and modifications must have the approval of the director. PT is for a 2:30 pick-up only.

*There is an **additional fee** of \$20/day for AS when public school is closed.
